

GEOTECHNICAL ENGINEERING

Foundation of the future

XVII ECSMGE

1– 6 September 2019

Reykjavík, Iceland

Call for abstracts

The XVII European Conference on Soil Mechanics and Geotechnical Engineering 2019 welcomes abstracts from all aspects of the discipline. Submissions demonstrating scientific advancement, technical innovation, challenges and management of geotechnical engineering projects are of special interest. We welcome authors from various fields and various career stages.

Themes for Abstract Submission – more details on the website

- A: Modelling and experimental assessment of geomaterials
- B: Geotechnical construction and soil improvement
- C: Geohazards and mitigation
- D: Environment, water and energy
- E: Historical heritage preservation
- F: Special and specific Issues

Important dates

- Open for submission of abstracts on website 15.01.2018
- Deadline of abstracts submission 15.04.2018
- Notification of abstracts acceptance 30.07.2018
- Submission of draft manuscripts for review 30.10.2018
- Notification of paper acceptance 15.01.2019
- Submission of final paper 15.03.2019
